Fyi, targusvn do not place Carol pdf complete free download on our hosting, all of pdf files on this web are collected on the internet. We do not have responsibility with missing file of this book.

Patricia Highsmith's story of romantic obsession may be one of the most important, but still largely unrecognized, novels of the twentieth century. First published in 1952 and touted as "the novel of a love that society forbids," the book soon became a cult classic.

Based on a true story plucked from Highsmith's own life, Carol tells the riveting drama of Therese Belivet, a stage designer trapped in a department-store day job, whose routine is forever shattered by a gorgeous epiphany—the appearance of Carol Aird, a customer who comes in to buy her daughter a Christmas toy. Therese begins to gravitate toward the alluring suburban housewife, who is trapped in a marriage as stultifying as Therese's job. They fall in love and set out across the United States, ensnared by society's confines and the imminent disapproval of others, yet propelled by their infatuation. Carol is a brilliantly written story that may surprise Highsmith fans and will delight those discovering her work.

This authorized edition includes an afterword by Patricia Highsmith. Previously titled *The Price of Salt*.
