What if an ancient warfare text was so relevant in today's workplace that top business tycoons swear by its learnings? What if you discovered that using by using learning in this book, you can become immensely Influential at Work, and wield fierce power and strategic control?

Horizons Media's Research Group researches contemporary topics and ancient wisdom in order to finds patterns and correlations. Surprisingly, almost all modern business strategies are based on 3 works - The Bhagwada Gita, ChanakyaNeeti, and The Art of War. The Art of War is so influential and impactful, that you can see it as a base framework in more than 70% of modern business philosophies!

Condensed into this small package are compact views on:

Ways of making yourself and your team high in resourcefulness

How you can inject momentum and calibrate the pace of strategy

The crux of the profit motive

The importance of flexibility

What is the true meaning of integrity in war and workplace

Why secrecy is important and in what context, even at the expense of being misunderstood

At what speed do you need to execute for great influence

The skill of positioning, both in the space (minds) and time (opportunity)

The element of surprise, and why it leaves no room for negotiations

The art of deception, but not at the cost of integrity

What levels of manipulation are harmless, yet extremely strategic and impactful

How to take responsibility and keep your team honest at the same time

and most importantly pragmatism

This is your solution, and you will access TODAY when you DOWNLOAD this book.
